# WORLD'S LARGEST FIREARMS SHOW

**WANENMACHER'S TULSA ARMS SHOW** will open the doors at Expo Square (Tulsa Fairgrounds) to the public on April1 & 2. From a modest beginning in 1955, the show has grown to almost 6 miles of exhibits. The world's largest gun and knife show will fill the eleven-acre building with more than 4,250 exhibits of very fine antique and modern firearms, knives, swords and accessories, on display and for sale. General-interest exhibits will include wildlife and western art, bronze work and jewelry. Several collectors' organizations will be present with outstanding exhibits and items to sell. Browning Collectors and Smith & Wesson Collectors will be featured guests. The Wanenmacher show is now international in scope, drawing exhibitors and spectators worldwide.

The public is invited to bring their firearms, swords and knives for a free appraisal, or to sell or trade. If you are considering buying a gun for concealed carry, the friendly exhibitors and staff will help you find the right one. If you are thinking of upgrading, you will find the largest selection and best prices. Most exhibitors will take your gun in trade. Like art, antique guns are a good hedge against inflation.

The show will feature celebrity guests. You will have the opportunity to meet Jim West, star of "Alaska Wild West" and John Lott, Second Amendment Champion and author of many books including "More Guns, Less Crime". Dr. Lott will present a seminar both Saturday and Sunday.

Don't miss the NRA National Firearms Museum's one gun display featuring a "Sixteen Shot, Sixteenth Century Wheel Lock" billed as the world's first machine gun.

Admission is free with the purchase of a new NRA (National Rifle Association) membership at the door. Receive a discounted price of only $30 which includes a free cap valued at $16.95 plus free admission. Several thousand spectators took advantage of this offer during the past year.

**WANENMACHER'S TULSA ARMS SHOW** brings more than nineteen million dollars to Tulsa annually, and more people attend **WANENMACHER'S TULSA ARMS SHOW** than any other 2-day event at the Tulsa Fairgrounds. The show is open to the public Saturday, 8 a.m. to 6 p.m., and Sunday, 8 a.m. to 4 p.m.

Advance admission, V.I. P. Passes, will be sold at 2A Shooting Center, MacKool's Firearms, Green Country Arms & Pawn, Sports World, and Gray's Jewelry Gun and Pawn in Tulsa and Broken Arrow. In the Oklahoma City vicinity, passes are available from C & J Sporting Goods in Bethany.
